O&T 57- 633

TO : Chief, Engineering Division, OC

DATE: 25 SEP 1957

FROM : Chief, Operations and Training Division, OC

SUBJECT: Requirement for RR/11-D Receivers

25X1

The Operations and Training Division does not have a requirement for prototypes of the 3-30 mcs, RR/11-D, receivers which cannot be met by the single band models. This does not preclude a possible future requirement for production models of the dual band receiver nor the procurement of prototypes by R & D in the development of the AS-3 system.
